

THE  
**SHOW DC**  
 OASIS OUTDOOR ARENA

**The SHOW DC Oasis Outdoor Arena** is a living tribute to breakout performances and spectacular events that are held in Bangkok every year. Created in 2015, this creative space is strategically located adjacent to the entertainment district of Royal City Avenue on the brink of Bangkok's new CBD.

Host to Bangkok's wettest Songkran Music Festival for 2 years running, the space is all at once familiar to Bangkokians and international visitors alike. With unparalleled accessibility for an outdoor performance space of this size, Oasis Outdoor Arena reaches out to event organizers looking for an exciting venue that is within reach of everyone in and out of Bangkok.

Like its name implies, Oasis is like a breath of fresh air right in the heart of Bangkok. An empty canvas that you can transform into anything your heart desires. A sprawling venue of over 10,000sqm, the arena has served corporate events, cultural festivals and international and regional musical performances with crowd sizes of up to 30,000.
